8. [REDACTED] LIAISON I met with Bill Hogan, on the staff of the House Armed Services Committee, regarding the letter from Representative John L. Burton (D., Calif.) to Representative Lucien N. Nedzi (D., Mich.), Chairman, Special Subcommittee on Intelligence, on [REDACTED] allegation that CIA may have drugged him. I explained there was no truth to the charges and gave him additional background on the incident upon which [REDACTED] based his claim. Hogan said that he would handle the matter by preparing a letter for Chairman Nedzi's signature stating that there is no substance to the charges and referring Representative Burton to the State Department for further information based on the fact that [REDACTED] was working for a company on contract to AID.
